Final application counts

Status	Applications
Bookmarked	0
Prepared	0
Manual Apply Required	8
Applied	33
Interviewing	5
Rejected	26
Offer	0
Discovered	0
Validated	0
Invalidated	38
Duplicate	0
Dead Letters Queue	0

Remaining requirement: All currently eligible queues are drained. Continuous operation remains active for new events and scheduled discovery.

Remaining requirement: Dead-letter monitoring continues every minute. Four workers remain allocated per configured pipeline, with four discovery slots.
